Download of E-mail IDs to Issuers / RTAs

A facility of flagging is being provided in the Client Maintenance Module to Clients who wishes that their email details mentioned in its depository account should not be downloaded to the Issuer / RTA. In order to spread awareness about this facility, Participants are advised to incorporate the following footnote in the next Transaction Statement sent to Clients.

1. Clients will have the option to decide on how they want to receive their annual reports, notices, etc. from companies i.e. whether by email or in paper form by post/courier. Clients can register their email address in their demat account (if not already done) and choose whether to share the email address with the companies/Registrar & Transfer Agents. The default option would be to share the email address with the companies/Registrar and Transfer Agents.

Clients who wish to receive the annual reports, notices, etc. from companies by email as well as in paper form will have to make a request to <Participant Name> to enable the option '*No download of email ID to Issuer/R&T Agent*' in their demat account.

2. Clients can simply make a written request (*duly signed by all the holders*) to <Participant Name> if their email address is not updated in their demat account.
3. Clients will receive information pertaining to their demat account on their registered email address faster and quicker in their inbox which is a smart and convenient way that offers the following benefits:
 - a. Receive annual report, notices etc. from Issuer through email
 - b. Participate in voting through e-voting platform of NSDL
 - c. Receive Transaction Statements and other communication from Participants in electronic mode
 - d. Clients can intimate their Participant through email about change in their demographic details such as Phone number, Fax number, Mobile number, Email ID and SMS facility as per the prescribed procedure
 - e. Easier registration for IDeAS facility provided by NSDL to view their holdings and transactions on internet, if email address is available in demat account
 - f. Clients will receive alerts directly from NSDL via email in case of change in address
