TOPIC OF INTEREST

Submit delivery instructions on the internet through *SPEED-e*

1. What is *SPEED-e*?

Ans. *SPEED-e* is a common Internet Infrastructure that enables the Depository Participants (DPs) to provide depository services to their clients. Demat account holders (including Clearing Members) subscribing to this facility can submit delivery instructions to their DPs through *SPEED-e* website <https://speed-e.nsdl.com>, instead of submitting delivery instruction slips (in paper form) to their DPs.

2. Who can avail of *SPEED-e*?

Ans. *SPEED-e* can be availed of by any demat account holder provided it's DP has registered with NSDL for this purpose.

3. How can I, as a Demat Account-holder / Clearing Member benefit from *SPEED-e*?

Ans. The benefit offered by *SPEED-e* to a demat account holder / Clearing Member is the convenience of conducting demat account transactions using an Internet connection from anywhere at anytime eliminating paperwork. Time and efforts for obtaining delivery instruction forms from your DP and submitting them to the DP everytime you sell securities is saved.
