SEBI Circular on Redressal of complaints against Stock Brokers and Depository Participants through SEBI Complaints Redress System (SCORES)

SEBI has commenced processing of complaints through SCORES since June, 2011. With a view to make the complaint redressal mechanism through SCORES more efficient, all stock brokers and depository participants are directed to address/redress the complaint with a period of 15 days from the receipt of the complaint. The same shall be sought within 7 days from the receipt of the complaints. In such cases, the period of 15 days shall run from the receipt of additional information. Stock Exchanges and Depositories are advised to develop a system for execution of the above.

The circular is issued in partial modification of earlier circulars dated August 25, 2011 and September 12, 2011 to the extent as stated above and in exercise of powers conferred upon SEBI under Section 11 (1) of the Securities and Exchange Board of India Act. 1992.

Updation of Bank Account of Client in Demat account

NSDL through its circular issued to Participants had informed regarding updation of bank account details of Clients. In this context, all Participants are requested as follows:

- In order to assist the Participants in updation of bank account details, NSDL has engaged with National Payments Corporation of India (NPCI). Based on the parameters provided by NPCI to identify the old bank account numbers, NSDL has identified and provided the old bank account details as captured in the demat account of clients to NPCI. Subsequently, NPCI has obtained the new bank account details (as per core banking systems) from the respective banks wherever possible. As the entire process involves substantial manual activity, NPCI has advised NSDL that the user institution must carry out due diligence before updating their records with the account numbers provided by the banks. NPCI has also advised to put in place necessary processes and controls to compare the name given by the bank with the name as per the records in demat account before updating the new bank account number provided by the banks. In case of any mismatch, such record must not be updated.
- The details of demat accounts alongwith the new bank account number as provided by NPCI to NSDL with respect to old bank account number captured in demat account is kept at NSDL intranet site i.e. <https://i-assist> (after DP login) under the link viz., 'List for Bank account number updation - NPCI' in the format as mentioned in this circular. Further, NSDL has carried out an activity to identify the similarity between the existing bank account number captured in the demat account and the new bank account number provided by the NPCI. Accordingly, two separate lists viz., "Annexure A" and "Annexure B" are provided on i-Assist under the aforesaid link containing the list of demat accounts alongwith existing and new bank account numbers. The "Annexure A" contains the details in respect of demat accounts wherein the last few digits of the existing bank account number captured in the demat account and the new bank account number provided by the NPCI are matching. The "Annexure B" contains the details in respect of demat accounts wherein no such similarity is observed in respect of existing and new bank account numbers.
