Did you know?

In India, Insurance has a deep-rooted history. Insurance in various forms has been mentioned in the writings of Manu (Manusmriti), Yagnavalkya (Dharmashastra) and Kautilya (Arthashastra). The fundamental basis of the historical reference to insurance in these ancient Indian texts is the same i.e. pooling of resources that could be re-distributed in times of calamities such as fire, floods, epidemics and famine.

Quote of the Month :
