### Same Mobile number and/ or email ID captured for more than 5 Clients

SEBI has advised that Participants need to frame a policy to reduce cases where same mobile number/email ID is recorded in 5 or more instances. In view of this, an additional report has been made available to Participants on i-Assist under the link '*Same Mobile number and/ or email ID captured for More than 5 Clients*'. Updated list will be made available on monthly basis.

Participants are required to take it up with the clients to update the family flag (i.e. self, spouse, dependent children and dependent parents) if it falls within the permitted exceptions and obtain request from Client or provide the updated mobile number / email ID for update in demat account as per prescribed procedure. Participant must take efforts to contact the client so that the number of such clients is reduced and brought to NIL.
