## Did you know?

Indians do tend to save, but, most of their money is stashed away either in bank deposits or in gold or even real estate. In fact, just 2 per cent of household savings is channelised into the stock market today.

## Quote of the Month :

“Most people get interested in stocks when everyone else is. The time to get interested is when no one else is. You can't buy what is popular and do well.” - Warren Buffett
