### **Recording of all types of Encumbrances in Depository system**

At present, there is no framework to capture the details of other types of encumbrances in the depository system other than pledge, hypothecation and non-disposal undertakings (NDUs). As specified by SEBI, Depositories shall put in place a system for capturing and recording all types of encumbrances, specified under Regulation 28(3) of SEBI (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 and shall follow the processes and other norms similar to that stipulated for the purpose of capturing and recording NDUs in Depository system.

Further, the freeze and unfreeze instructions executed by the Participant for recording all encumbrances will be subject to 100% concurrent audit and shall not facilitate or be party to any type of encumbrance outside the Depository system.

### **Cyber Security - Prevention of DDoS Cyber-attacks and Cyber Security preparedness**

SEBI has advised necessary measures on Cyber Security Advisory - Prevention of DDoS Cyber-attacks and Cyber Security as under:

- a) Review cyber security safeguards put in place for protecting the business operations and fix the identified gaps on priority.
- b) Review security of communication links like MPLS lines, point to point leased lines, Internet leased lines etc. provisioned for trading, communications and other services exposed to the customers and partners on the internet/private networks.
- c) Ensure all the internet links and services are adequately protected from cyber-attacks including DoS/DDoS attacks.
- d) Ensure enough safeguards are put in place to protect private networks from man in the middle type of attacks and shall use end to end encryption for communication channels/protocols.
- e) Ensure adequate redundancy and high availability for private networks provisioned for business operations availing services from multiple service providers.
- f) Review vulnerabilities of business applications and ensure enough safeguards for targeted application attacks.
- g) If employees/outsourced staff managing business operations are working from home, ensure adequate safety and security measures (such as hardening of employees home PCs/laptops, ensuring licensed version of anti-virus, secure VPN access with 2FA etc.) before providing access to corporate network/office systems.
- h) Continuously monitor applications and services for their availability and good response time.

## News (Contd.)

Further, Participants shall ensure adherence to cyber security guidelines / advisories issued by SEBI, follow best industry practices and comply with other guidelines issued by CERT-In and NCIIPC from time to time and shall give utmost importance to the cyber security preparedness and in case of any cyber security breach/incident/deficiency, reporting shall be done as per the Standard Operating Procedure for reporting of cyber security breaches, incidents and deficiencies.

### **Execution of Power of Attorney (PoA) by the Client in favour of the Stock Broker / Stock Broker and Depository Participant**

SEBI has clarified that PoA is optional and should not be insisted upon by the stock broker / stock broker depository participant for opening of the client account. Further, PoA executed in favour of stock broker / stock broker depository participant by the client shall be utilized-

- For transfer of securities held in the beneficial owner accounts of the client towards Stock Exchange related deliveries / settlement obligations arising out of trades executed by clients on the Stock Exchange through the same stock broker.
- For pledging / re-pledging of securities in favour of trading member (TM) / clearing member (CM) for the purpose of meeting margin requirements of the clients in connection with the trades executed by the clients on the Stock Exchange.

Further, all off-market transfer of securities shall be permitted by the Depositories only by execution of Physical Delivery Instruction Slip (DIS) duly signed by the client himself or by way of electronic DIS. The Depositories shall also put in place a system of obtaining client's consent through One Time Password (OTP) for such off market transfer of securities from client's demat account. This shall be applicable with effect from November 01, 2020.

### **Implementation of Partial Margin Re-pledge / Release / Invocation functionality**

NSDL has made available partial re-pledge / release / invocation of margin pledged securities in Margin Pledge / Re-pledge (MPR) module. There are no changes in respect of screen based / file upload/download based mechanism for partial margin re-pledge / release / invocation functionality. The user can capture the full or partial quantity in field - 'Quantity' in respect of Margin re-pledge / release / invocation instructions.

## News (Contd.)

In addition, user can view the break-up of quantity under instruction details of Margin Pledge / Re-pledge screens under MPR module, as mentioned below:

1. Pledged Quantity
2. Open Quantity
3. Closed Quantity
4. Invoked Quantity
5. Re-pledged Quantity
6. Re-pledged Invoked Quantity

### **Additional Operational Guidelines on margin obligations to be given by way of Pledge/ Re-pledge in the Depository System**

#### **1. Client Securities under Margin Funding Account**

- To facilitate Participants to open a separate demat account tagged as 'Client Securities under Margin Funding Account', NSDL has made available new account type and sub-type in Depository system.
- Further, as clarified by SEBI, margin funded shares shall be pledged in favor of the TM / CM Client Securities under Margin Funding Account (CSMA a/c) only through OTP confirmation by the concerned clients and pledged securities could move to the CSMA a/c only on invocation. The margin pledge module shall be used and the OTP mechanism as used for margin pledge will be used for validating margin funding transaction by the clients.
- Re-pledge shall not be permitted from CSMA account.

2. In case the margin pledge is initiated by the Client for 'All segments', the re-pledge by the TM for such securities can be done for any specific segment or 'All segments'. However, the re-pledge by the CM for such securities which were pledged by client and re-pledged by TM to CM with 'All segments', will be allowed with the specific segment only.
