1. NSDL's Market Ka Eklavya - Express Program reaches over 5,700 students across 75+ cities covering all States of India

NSDL successfully conducted a series of educative programs titled '**Market Ka Eklavya - Express**' specially crafted for students. The programs conducted in 8 languages were attended by more than 5,700 students across 75+ cities covering all Indian States under 'Azadi Ka Amrit Mahotsav'.

An audio-visual film on NSDL's initiative on Market Ka Eklavya-Express was screened at '**India's Economic Journey @75**', a program by DEA and SEBI held on June 8, 2022, in New Delhi. Smt. Nirmala Sitharaman, the Hon'ble Union Minister of Finance, who presided over the meet lauded the initiative and underscored the importance of scaling up such efforts.

'Market ka Eklavya' is a program presently targeted toward college students and aims at empowering them with financial knowledge. This is the right time to prepare them for the future and train them to be a prudent investor.

Launch of Block chain based Debenture Covenant Monitoring System

SEBI Chairperson Smt. Madhabi Puri Buch launched industry's first platform using block chain technology for Debenture Covenant Monitoring. She said, *"It is indeed a pleasure to be here for the landmark event of celebrating 25 years of NSDL. The Depository is working to adopt new technologies and building critical market infrastructure for the security and covenant monitoring of Bond issuances. Going forward, today will also be remembered as an important day as we are taking the first step in terms of use of distributed ledger technology in the market"*.

3. Validation of reason codes at execution of off-market transactions

To ensure that the off-market transfer is indeed for the purported reason as declared by the account holder(s), system level validations was implemented by Depositories for off-market transfers w.e.f. March 25, 2022. Following changes in the earlier validation process have been incorporated:

- 1) Addition of new reason code for transfer of constituent shares for creation of ETF Units. This new reason code will be available from June 25, 2022.
- 2) Transfer from the Escrow Account is permitted back to the client account after the closure of the Buy Back / Tender Offer / Delisting Offer Period for the securities that are not accepted by the Issuer Company in the respective offer period indicated by the company.
- 3) Off-market transfer from Stock Broker Proprietary Account will be permitted for all reason codes excluding the following reason codes -
 - a. Transfer between Minor Account and Guardian Account.
 - b. Transfer between specified family members.
 - c. Transfer from Nominee/Surviving holder to beneficiary.

The effective date of release of the changes mentioned at point no. 2 and 3 above would be communicated to Participants separately. The system level validation for Inter depository off-market transfers (where the target account is held with other depository) will be implemented in phase-II and date of implementation of the same shall be informed separately.

News

Participants are advised to disseminate contents of this circular to their concerned clients to enable them to take utmost care to avoid non-execution of off-market instructions due to implementation of reason code validations. Participants are also advised to take steps to educate their clients for selecting appropriate reason code while executing off-market transfer. Any deviation in selecting the reason code should be brought to the notice of clients to avoid failure of off-market transfers.
