## From the Managing Director & CEO's Desk

Dear Reader,

We are pleased to inform you that NSDL, the first and the largest depository in India, has completed 14 years of operations on November 7, 2010. The total number of demat accounts in the NSDL system stood at over 1.10 crore (as on October 31, 2010). During last two years, about 30 lakh new accounts were opened. In keeping with its practice of reaching out to the investors to get their feedback and apprising them of the recent developments taking place in the depository system, NSDL has been conducting Investor Depository Meets (IDM) since its inception. During last year, NSDL organized 100 such investor meets in 100 cities / towns and interacted with more than 8,700 investors across the country. So far, NSDL has conducted more than 1,000 investor meets which have been attended by more than 1,20,000 investors.

Keeping in view the ease of accessibility and reach, we found that mobile phones are gaining enormous popularity and their usage has increased by leaps and bounds. SMS alert facility introduced by NSDL for investors has been enhanced from time to time and now investors get SMSes for debits & credits (transfers), credits in respect of IPOs, sub-division & bonus, failed debit instructions, overdue instructions, change of mobile number, change of address, credit/debit of Mutual Fund units and invocation of pledged securities to pledgor clients. Account holders have to mandatorily provide their mobile numbers, if their demat accounts are operated by Power of Attorney (POA) holder. NSDL looks at this facility as a means of providing information to investors for risk containment. It offers this facility free of cost. The popularity of this facility can be gauged from the fact that about 70 lakh account holders have registered for SMS alert facility so far. I take this opportunity to request those who have not yet registered for this facility, to avail SMS alert facility of NSDL.

As another risk containment measure, NSDL recently launched ACE (Alerts to Clients through Email) whereby emails are sent to the email address (captured in the Depository System) of the account holder(s) in case of change of address.

NSDL has also provided a facility for investors to submit request for conversion of their mutual fund units represented by Statement of Account (SoA) into dematerialised form through their Participants, details of which are given under NSDL initiatives in this issue. Investors can now have a single Transaction Statement for equity shares, debentures and mutual fund units.

As a part of its commitment towards providing investor friendly facilities and increasing transparency, NSDL has been introducing various facilities and features in its depository system. Two such internet based initiatives are *IDeAS* and *SPEED-e*.

# NSDL UPDATE

- For the benefit of investors, NSDL has enhanced its **IDeAS** facility wherein demat account holders can now capture or modify their email addresses registered on **IDeAS**. Users of **IDeAS** who have forgotten their passwords or have entered wrong passwords (upto three attempts) can auto-reset the password on **IDeAS**. This feature is made available for Users exclusively availing **IDeAS** facility.
- NSDL has further enhanced its **IDeAS** facility wherein account holders can now enter User ID of his choice at the time of registering for **IDeAS** facility through DIRECT and need not use the User Id allotted automatically by the system.
- NSDL has launched a facility called SIMPLE (Submission of Instruction through Mobile Phone Login Easily) which enable the password based users of **SPEED-e** facility to submit instructions on **SPEED-e** website through their mobile phones. The internet - based facilities of **IDeAS** and **SPEED-e** are now available without any user fee for the Password based users.
- NSDL has also launched SPICE (Submission of Power of attorney based Instructions for Clients Electronically) for auto pay-in of securities using the infrastructure of **SPEED-e** and **IDeAS**.

This NSDL Update, the 14<sup>th</sup> anniversary edition, gives details of the progress of NSDL on various fronts. NSDL holds more than 85% of securities held in dematerialised mode in India and our account holders are serviced by Depository Participants (DPs) through more than 12,000 service centres across more than 1,300 cities/towns in the country. More than 8,500 companies have joined NSDL. Till October 2010, 41,561 crore securities worth more than ₹ 67 lakh crore (more than USD 1,500 billion) have been dematerialised with NSDL. This progress would not have been possible but for the market acceptance of our services and the support of investors in the capital market. In view of the fast expanding activities and reach of NSDL services, we have opened a new branch office at Ahmedabad.

During the 13<sup>th</sup> Asia-Pacific Central Securities Depository Group (ACG) General Meeting held at Hanoi, Vietnam, NSDL was selected as the host for the next ACG General Meeting. NSDL will be hosting the 14<sup>th</sup> ACG meeting in Mumbai, India from December 1-3, 2010. ACG was formed in November 1997 as an informal international organisation with the objective to facilitate the exchange of information and to promote mutual assistance among member securities depositories and clearing organisations in the Asia Pacific region. Its members include 30 institutions including NSDL in 21 countries. NSDL is an active member of ACG and participates in all its meetings including the Task Forces.

We are thankful to all those who stood by us and partnered us to reach this far.

I look forward to your continued support and cooperation.

**Gagan Rai**  
Managing Director & CEO

## News

### Opening of NSDL Branch Office at Ahmedabad

NSDL opened a new branch office at Ahmedabad in October 2010. The other branch offices of NSDL are located at New Delhi, Kolkata, Chennai & Ahmedabad. Contact details are given on page No. 19 of this NSDL Update.

### Extension of deadline time for submission of IDT instructions

With effect from November 2, 2010, the deadline timings for submitting online Inter-Depository Transfer (IDT) instructions was extended from 6.00 p.m. to 7.00 p.m. Further, deadline time for Clients / Clearing Members to submit Inter Depository Delivery instructions on **SPEED-e** facility is also extended from 5.00 p.m. to 6.00 p.m. This extension is expected to give more time to investors, Clearing Members and Participants to submit and execute Inter-Depository Transfer instructions.

This has been informed to Participants vide Circular No. NSDL/POLICY/2010/0118 dated October 30, 2010.

### NCDO training / certification programmes for Participants

NSDL conducts training and certification programmes for Participants to increase the availability of trained personnel for depository operations. In October 2010, such programmes were conducted in Bangalore, Chandigarh, Chennai, Indore, Kolkata, Mumbai, New Delhi, Patna, Pondicherry, Tanjore and Vijayawada. In all, 1,410 persons attended the training programmes conducted at these locations.

### Prabhudas Lilladher Pvt. Ltd. becomes operational as a Participant of NSDL

In October 2010, Prabhudas Lilladher Pvt. Ltd. (DP ID IN303868) became operational as a Participant of NSDL. It will conduct its depository operations from Mumbai. This takes the total number of operational Participants to 290 and the total number of DPM set-ups to 362.

### Name Change of Participant

Old Name	New Name	DP ID
The Dhanalakshmi Bank Limited	Dhanlaxmi Bank Limited	IN302687

## Performance Summary

### Investors :

Oct-09	47	632	2,49,758
Oct-10	42	777	3,52,899

## NSDL Initiatives

During the last 12 months (i.e. November 2009 to October 2010), the following initiatives were taken by NSDL with an objective of spreading awareness about the depository system, its benefits and safety features and to provide new facilities amongst its users:

### New Facilities:

#### ➤ Facility to hold mutual fund units in dematerialised form

In order to facilitate transacting in mutual funds units through stock exchange platform, NSDL has enabled holding of mutual fund units in dematerialised form. SEBI has approved the proposal for conversion of existing mutual fund units (in physical form) into dematerialised form. The existing depository accounts can be used for holding these mutual funds units in dematerialised form.

NSDL's internet based facility viz., *IDeAS* facilitates clients to view the latest balances of their demat accounts on the internet along with the value, based on the previous day closing price. NSDL has further enhanced its *IDeAS* facility whereby clients can view the values in respect of mutual fund units (security type code '20') held by them in their demat accounts based on the NAVs (i.e. Net Asset Value) along with the date of the NAVs. Clients can submit conversion requests only through Participants. Moreover, NSDL has decided not to charge any fee to Participants in respect of transactions in mutual fund units routed through the stock exchange platform, which are held in the depository system till March 31, 2011.

#### ➤ SEBI instructions on disclosure of investor complaints and arbitration details on Depository website

SEBI has vide its Circular No. SEBI/MRD/OIAE/Dep/Cir- 4/2010 dated January 29, 2010 clarified regarding disclosure of details of complaints lodged by investors (Beneficiary Owners) against Participants including details pertaining to arbitration and penal action against the Participants on depository's website. Such details will henceforth be displayed on NSDL's website.

#### ➤ SPICE (Submission of Power of attorney based Instructions for Clients Electronically)

NSDL has launched a facility for auto pay-in of securities called SPICE (*Submission of Power of attorney based Instructions for Clients Electronically*) using the infrastructure of *SPEED-e* and *IDeAS*. This facility is in respect of demat accounts operated on the basis of Power of Attorney (POA).

Many investors execute POA in favour of their stock brokers (i.e. *Clearing Members*) and advise their Participants accordingly. Based on the POA, Clearing Members (CMs) submit instructions (*auto pay-in*) to the Participants (*where Clients maintain demat accounts*) to debit the demat accounts of the Clients and credit their CM Pool accounts. SPICE would enable such CMs to submit digitally signed instructions to Participant through the *SPEED-e* facility thereby eliminating the need to give paper based delivery instructions to the Participants and monitor / ascertain status of uploaded instructions through SPICE.

## ➤ ACE (Alerts to Clients through Email)

NSDL sends SMS Alerts to Clients upon change of address in respect of their demat accounts. As a measure to further strengthen the risk containment mechanism, NSDL has launched a facility called **ACE - Alerts to Clients through Email**, whereby emails will be sent by NSDL to the email address (*captured in the Depository System*) of the account holder(s) in case of change of address. The salient features of ACE are as follows:

- The parameters for sending email alerts will be similar to SMS Alert facility.
- Email alerts will be sent to the email address of the account holder(s) available in the Depository System.
- Account holder(s) will receive email alerts from the Email ID : [nsdl\\_alerts@nsdl.com](mailto:nsdl_alerts@nsdl.com)

## ➤ SMS Alert facility - After launching SMS Alert facility in September 2007, NSDL has been enhancing the facility for demat accountholders by adding new features. Latest features of SMS Alerts introduced by NSDL are credit / debit of Mutual Fund Units, credits in respect to account transfers and alerts upon invocation of pledged securities to Pledgor Clients.

SMS alerts are now sent by NSDL to demat accountholders for the following:

- (1) All Debits and Credits (transfers)
- (2) Credits for IPO, bonus & sub-division
- (3) Failed instructions
- (4) Overdue instructions
- (5) Change of mobile number
- (6) Change of address
- (7) Credit / debit of Mutual Fund Units
- (8) Alerts upon invocation of pledged securities to Pledgor Clients

NSDL offers this facility free of cost for the benefit of investors. The SMS alert facility is available to the investors provided they have given their mobile numbers to their Participants and made a request for this facility.

## Towards Investor Awareness:

### ➤ Investor Depository Meets (IDMs) - NSDL interacted with investors throughout the country through a series of 'Investor Depository Meets'. These programs were organised to spread awareness amongst the accountholders and others about the new facilities introduced by NSDL, the safety features and precautions to be taken by accountholders while operating in the depository environment.

During November 1, 2009 to October 31, 2010, NSDL organised 100 IDMs in 100 different cities/towns across the country, which were attended by more than 8,000 persons. The zone-wise details of these seminars organised during the period are given below:

Zone	No. of IDMs
East	19
West	24
North	30
South	27
<b>Total</b>	<b>100</b>

- **Investor's Guide** - NSDL publishes an "Investor's Guide to Depositories" for promoting investor's understanding of the system. This guide attempts to answer frequently asked questions raised by the investors in relation to depository operations. Apart from English and Hindi, this guide is also available in some other regional languages. Investors may obtain a copy of this publication free of cost from NSDL, Mumbai and its branches at New Delhi, Kolkata, Chennai and Ahmedabad. It can also be downloaded from NSDL's website.
- **Posters** - NSDL has been undertaking various steps to educate the investors and keep them apprised of the developments taking place in the depository system. As a part of our investor awareness initiatives, NSDL distributes posters to Participant service centres to help Clients know about the features and facilities in the NSDL depository system and precautions that they need to take while opening and operating their depository accounts.
- **NSDL Website** - NSDL website hosts exhaustive information for investors, companies and Participants. Details available on the website include list of securities available for demat, Participant locations and contact details, dates & venues of forthcoming IDMs, various search options, important circulars, Bye Laws & Business Rules of NSDL etc. The website also facilitates registration of grievance and displays list of companies with poor demat confirmation record.

## Towards delivering cost effective services.:

- **10% reduction in settlement fees charged to Participants:** Keeping with its continued commitment to deliver cost effective services, with effect from April 1, 2010, NSDL has reduced the settlement fee charged to the Depository Participants (DPs) from ₹ 5 to ₹ 4.50 per debit instruction.

## Towards education of Business Partners etc.:

- **NCDO training programmes for Participants:** NSDL conducts NSDL Certification in Depository Operations (NCDO) for Participants of NSDL. NCDO oriented training programme covers various aspects of depository operations followed by a written test. Certificate is given to the participant on successful passing of the test which is valid for a period of five years. The persons holding the certificate are considered as qualified personnel in relation to the requirement for service centres of the Participant.

During November 2009 to October 2010, 310 such programmes were organised in 79 cities/towns, which were attended by more than 16,000 representatives representing various Participants.

- **Systems Oriented Training Programme (SOTP) for Participants:** In order to disseminate knowledge about various functionalities and information about NSDL's depository system such as features, reports, utilities, back office interface, system security, system performance, frequently asked questions at Help Desk, business continuity plan, etc., NSDL conducted Systems Oriented Training Programme (SOTP) for its Participants. Four such programmes were conducted in Ahmedabad, Chennai, Delhi and Kolkata which were attended by more than 242 officials of Participants.
- **Other training programmes for Business Partners:** NSDL periodically conducts three-day training programmes for Participants and two-day training programmes for Issuers / R & T Agents. Details of such programmes conducted from November 2009 to October 2010 are as follows:

Sl. No.	Category	No. of Business Partner entities trained	Total Attendees
1	Participants	21	40
2	Issuers / R & T Agents	5	13
<b>Total</b>		<b>26</b>	<b>53</b>

- **Training programmes for internal auditors of the Participants:** NSDL conducted training programmes for internal auditors of the Participants. Areas covered during these programmes were Account Opening, Dematerialisation / Rematerialisation, Settlement, Back office operations, critical aspects of Participant Operations, Guidelines on internal audit, Compliance, Participant Inspection, findings and perspectives, Anti Money Laundering Requirement and Systems overview. During the period from November 2009 to October 2010, these programmes were organised in 5 cities which were attended by about 566 representatives from various audit firms.

#### Other Initiatives:

- **Central Recordkeeping Agency (CRA):** NSDL has set up a Central Recordkeeping Agency (CRA) on behalf of the Pension Fund Regulatory and Development Authority (PFRDA) for the New Pension System (NPS) in India. Under the NPS, each new government employee opens an account with CRA who is identified through unique Permanent Retirement Account Number (PRAN). In this system, deductions are made from employee's salary on monthly basis and an equal amount of contribution is made by the Government. The amount gets invested through PFRDA appointed Pension Fund Managers (PFMs). The accumulated amount is reflected in employee's Permanent Retirement Account while employee is working and shall use the accumulations at retirement to procure a pension for the rest of the life. Subscribers in this system would benefit in many ways like portability across jobs and locations, choices of Pension Funds and investment schemes, freedom to switch between service providers and nationwide access. NPS is now available to all citizens of India, other than Government employees already covered under NPS. During the year, NSDL-CRA crossed the landmark of one million PRANs. More details about this can be accessed through the CRA web-site <http://www.npscra.nsdl.co.in>
- **Asia-Pacific Central Securities Depository Group:** Asia-Pacific Central Securities Depository Group (ACG) was formed in November 1997 as an informal international organisation with the objective to facilitate exchange of information and promote mutual assistance among member securities depositories and clearing organisations in the Asia Pacific region. Its members include 30 institutions including NSDL in 21 countries. NSDL is an active member of ACG and participates in all its meetings including the Task Forces.

The ACG General Meeting is held once a year and is hosted by one of the members. NSDL had hosted the 2<sup>nd</sup> meeting of the ACG in the year 1998. The last ACG General Meeting was hosted by Vietnam Securities Depository in October, 2009. During the said ACG General Meeting held at Hanoi, Vietnam, NSDL was selected as the host for the next ACG General Meeting.

The 14<sup>th</sup> ACG meeting hosted by NSDL is to be held in Mumbai, India from December 1-3, 2010.

## Corporate Action Statistics

Sr.No.	Description	During October 2010		For F.Y. 2010 - 11 (upto October 2010)

## TOPIC OF INTEREST

### Demat Account Holders can avail the facility of Pledge

#### 1. What should I do if I want to pledge electronic securities?

**Ans:** The procedure is as follows:

- You have to initiate the pledge by submitting to your DP the details of the securities to be pledged in a standard format.
- The pledgee has to confirm the request through its DP. It is suggested that after creation of the pledge request, you may inform the pledgee and request him to confirm the request.
- Once this is done, your securities are pledged.

All financial transactions between the pledgor and the pledgee are handled as per usual practice outside the depository system.

#### 2. How can I close the pledge after repayment of my loan?

**Ans:** After you have repaid your loan, you can request for a closure of pledge by instructing your DP in a prescribed format. The pledgee on receiving the repayment will instruct its DP accordingly for the closure of the pledge. The pledgee also has an option to unilaterally instruct its DP to close the pledge after repayment.

#### 3. Whether pledge account can be in a different DP?

**Ans:** Yes. The pledgee can have an account with a different DP of NSDL.

#### 4. Can I change the securities offered in a pledge?

**Ans:** Yes; if the pledgee (lender) agrees, you may change the securities offered in a pledge.

*to be concluded in next issue ...*
