TOPIC OF INTEREST

Know more about Application Supported by Blocked Amount (ASBA)

(continued from August 2010 issue)

23. Will there be any different treatment in allotment for ASBA and Non -ASBA forms?

No. ASBA forms will be treated similar to the non-ASBA forms while finalizing the basis of allotment.

24. What happens when the issue fails/is withdrawn?

In case the issue fails/withdrawn the SCSB shall unblock the application money from the bank accounts upon receiving instructions from the Registrar.

25. In case of any complaints regarding ASBA application whom can I approach?

In case of any complaints the investor shall approach the bank, where the application form was submitted or the Registrars to the issue.

26. In case a person is having bank account with a branch, for example, at Kolkata can he submit IPO application through ASBA at a branch of the bank in Guwahati.

Yes, this can be done provided that your bank have core banking facility and the ASBA form is submitted at a branch which is identified as designated branch by the bank.

27. Is there a better chance of allotment if one applies in IPO through ASBA?

The chance of getting allotment is same for all the applicants whether application is made through ASBA or non-ASBA. ASBA is a simple, easy and smart way of applying in public issues. There are many advantages of applying through ASBA like money does not go out of investors' account, no hassle of refund, investor keep earning interest on the blocked amount as banks have started paying interest on daily basis w.e.f April 1, 2010 and it gives better opportunity for utilization of money.

28. What if the SCSB is not the applicant's banker?

ASBA forms can be submitted only at the SCSBs. In case investor does not have an account with any of the SCSBs, then he can not make use of the ASBA.
