NSDL UPDATE

NSDL - Trusted by more than 9 Million Investors

NDA Securities Limited made operational in NSDL during March 2009

In March 2009, NDA Securities Limited (DP ID IN303663) was made operational as a Participant of NSDL. It will conduct its depository operations from New Delhi. This takes the total number of operational Participants to 275 and the total number of DPM set-ups to 352.

NSDL withdraws User fee for Users of *IDeAS* facility and reduces fees for *SPEED-e* facility

W.e.f. April 1, 2009, NSDL has withdrawn the user fees for Beneficial Owners (BO) availing *IDeAS* facility. There is no user fee for Password based BOs using *SPEED-e* facility. Thus, the internet - based facilities of *IDeAS* and *SPEED-e* are now available without any user fee for the Password based BOs. NSDL has also reduced joining fees charged to Participants for *SPEED-e* facility from Rs. six lakh to Rs. two lakh.

NSDL's common internet facility called *IDeAS* facilitates investors to view latest balances and transactions in their demat accounts. NSDL's other internet-based facility called *SPEED-e* facilitates Users (Beneficial Owners and Clearing Members) to submit delivery instructions on the internet. *SPEED-e* facilitates Participants to eliminate paper [Delivery Instruction Slips (DIS)] resulting in reduction in cost of storage and processing of DIS and the risk involved in verifying specimen signatures of account holders at the time of processing DIS.

Pursuant to the revision, fee structure for *IDeAS* and *SPEED-e* (charged by NSDL to its Participants) is mentioned below:
