**> Securities available for dematerialisation**

**> List of Compulsory scrips**

**> Preparedness for Rolling Settlement**

**BSE announces Auto DOs for rolling settlements**

BOI Shareholding Ltd. (BOISL), the clearing house of BSE, has announced commencement of automatic generation of delivery-out instructions for rolling settlements with effect from Rolling Settlement No. 0102048, pay-in for which is scheduled on June 11, 2001. To begin with, this facility will be available only for rolling and not for auction rolling. The automatic delivery-out instructions will be generated for only those clearing members (brokers) who have submitted the authority letters to BOISL.

**New facility of transposition-cum-demat**

NSDL has recently amended its Bye Laws and Business Rules to enable investors to transpose names of the joint holders alongwith the process of dematerialisation through their DPs. Prior to this amendment, investors having shares in joint names (Mr. A & Mr. B), but in different sequence (Mr. B & Mr. A) were either required to open multiple accounts for each sequence (Mr. A & Mr. B and Mr. B & Mr. A) or to effect the transposition directly with the Issuer/R&T Agent and then dematerialise their securities through their DPs.

In case of transposition-cum-dematerialisation, the Client can get the securities dematerialised in the same account if the names appearing on the certificates match with the names in which the account has been opened but are in a different order, by submitting the security certificates along with the Transposition Form and the Dematerialisation Request Form (DRF) to the DP.

**Clearing Members to avail of corporate benefits**

NSDL has recently amended its Bye Laws and Business Rules to enable Clearing Members, Clearing Corporations & Stock Lending Intermediaries to avail of corporate benefits for further distribution to beneficial owners. This will be applicable in respect of record dates falling on or after May 7, 2001 (book closure May 8, 2001). The corporate benefits availed by Clearing Members, Clearing Corporations & Stock Lending Intermediaries shall be held in trust on behalf of the beneficial owners. However, Clearing Members/ Clearing Corporations / Stock Lending Intermediaries are not entitled to voting rights or to receive rights offers with respect to the shares held in Pool Accounts.

**NSDL's Delhi branch office shifts to new premises**

NSDL's Delhi branch has shifted its office to a new premises from May 14, 2001. The address of the new premises is:

National Securities Depository Limited  
409/410, Ashoka Estate Building  
4th floor, Barakhamba Road  
Connaught Place  
New Delhi-110 001.  
Tel: (011) - 335 3815, 335 3817  
Fax: (011) - 335 3756  
Email: kapilk@now-india.com

*For private circulation only*

\* National Electronic Settlement and Transfer

## Performance Summary

### Investors :

Table 1

As on	Client Accounts opened (lakhs)
May-99	6
May-00	26
May-01	39

As on May 31, 2001, 38,84,567 Investor accounts have been opened from within the country and abroad. Besides, 3837 clearing member accounts have been opened to facilitate trading and settlement of demat shares in the stock exchanges connected to NSDL. Table 1 shows the growth in investor accounts over a period of three years.

### Dematerialisation :

As on May 31, 2001, 3,862 cr. shares having a value of Rs. 3,50,500 cr. were dematerialised. Table 2 portrays the increase in dematerialisation over the last three years.

Table 2

As on	Demat Quantity (Cr.)	Demat Value (Rs. Cr.)
May-99	808	132400
May-00	1706	331100
May-01	3862	350500

### Settlement :

Table 3

Month - Year	Settlement Quantity (Cr.)	Settlement Value (Rs. Cr.)
May-99	44	8730
May-00	47	13657
May-01	66	7665

During May 2001, a total quantity of 66 cr. shares having a value of Rs. 7665 cr. were settled in demat form in the stock exchanges connected to NSDL. Table 3 shows the settlement figures over the past three years.

### Companies :

As on May 31, 2001, demat facilities are available for 2981 companies. Table 4 indicates the increase in the number of companies joined NSDL over a period of three years.

Table 4

As on	No. of Companies Operational
May-99	407
May-00	1041
May-01	2981

### Depository Participants :

Table 5

As on	No. of DPs	No. of DP Service Centres
May-99	93	834
May-00	134	1437
May-01	196	2633

As on May 31, 2001, 196 Depository Participants are offering depository services. DP services are provided from more than 2600 locations across the length and breadth of the country. Table 5 shows the steady increase in the number of DPs as well as service centres over the last three years.

**NSDL revamps its corporate website**

NSDL has revamped its corporate website to make it focused on user requirements.

This website is divided into nine sections viz. About NSDL, Basic Services, Special Services, Joining NSDL, Downloadables, Certification, FAQs, Related Links and Business Partner Interface.

Business Partner Interface is a special section designed for NSDL business partners which contains important circulars, operating manuals, various forms, schedule for Investor Depository Meets & training programmes and addresses of Issuers/ Shares Registrars where physical certificates and Demat Request Forms are to be sent for dematerialisation.

The website also provides a download facility for NSDL Bye Laws, Business Rules, NEST Updates and List of Securities and their ISIN.

Related links section in the website contains website and email addresses of DPs, Registrar & Transfer Agents, Stock Exchanges, Regulatory bodies and world depositories.

A separate section on Debt instruments has been created which has information related to Government Securities, Commercial Papers and Debentures/Bonds available with NSDL for demat and procedure for the Issuers to admit their Debt instruments for demat.

## Topic of Interest

### Preparedness for rolling settlement

As per SEBI press release (ref no. PR 51/2001) dated March 16, 2001, settlement of trades on a rolling basis for active scrips is scheduled to commence from July 2, 2001.

In rolling settlement system, the trading period (T) is one day. Obligations are netted and determined on the basis of trades done on the trading day (T). The obligations have to be settled on the 5th working day after the trading day in a T + 5 rolling settlement scheme. Typically, a trade done on a Monday will be settled on the next Monday. Thus, there will be a settlement every day. Since everyday will be settlement day in the rolling settlement regime, depository participants will have to get ready to handle settlement related activity everyday.

In order to gear up to the challenge of settling trades every day on a rolling basis, SEBI has advised the DPs to instruct to their clients to submit the settlement instructions at least two days (one day in case of auction) prior to the pay-in date in case of rolling settlements. DPs may educate their clients about the need to submit the settlement instructions well in time as prescribed by SEBI. The following facilities available in NSDL depository system may be used to efficiently handle rolling settlement related operations.

- **The facility of giving future dated instructions**  
An investor can specify the date on which the securities must be moved out of its account while giving a delivery instruction to its DP. This can be a future date and is known as the Execution Date. The investor can use this facility by issuing instructions with a future Execution Date to its DP immediately on confirmation of sale by the broker. This facility is particularly useful for investors having accounts at locations where DPs do not have direct connectivity to NSDL's central system. DPs may encourage their clients to use this feature to ensure that the securities are delivered in time.
- **Auto Delivery Out facility**  
NSDL has provided a facility for Clearing Members (brokers) whereby securities automatically move from the account of the clearing member to the account of the clearing corporation/house (CC/CH). This is an optional facility for CMs. CMs can avail of this facility only if the concerned CC/CH has opted for this facility. CMs are encouraged to avail of this option. This would eliminate the need of the CMs to give pay-in (delivery-out) instructions daily to the DPs. The CMs will have to handle only exceptional cases. The CMs have to submit authority letters to their stock exchanges to avail this facility.
- **SPEED, an Internet based facility for the brokers (Clearing Members) to view and download the securities balances and transactions relating to their CM Pool Accounts directly on the Internet**  
SPEED enables a Clearing Member to view and download its holding statement and transaction details for its CM pool account. It can view the securities received by it into its CM pool account from its Clients for the purpose of pay-in. It can also view its instructions which are in Overdue status viz; awaiting delivery of securities from Clients. On that basis, the Clearing Member can follow-up with its Clients for shortages in deliveries. It can also view the securities received into its CM pool account from the Clearing Corporation on pay-out. CMs are encouraged to use this facility so that they gain access to upto date information.
- **More frequent updates from DPM to DPs back-office**  
NSDL has enhanced its DPM system to enable DPs to take updates from the DPM system to its back-office multiple times in a day. This helps DPs in keeping its back-office updated and in turn keeping its clients informed of the latest account position.
- **Facility of giving computer print-outs alongwith Delivery Instruction Forms**  
NSDL has allowed Clearing Members to submit delivery instructions to their DPs accompanied with the computer print-outs of the instruction details together with instructions on floppy. This helps CMs to directly generate the instructions from its computer system and give it to the DPs.
