Circular

Circular No.: NSDL/POLICY/2010/0026   Date: March 19, 2010

Sub: New DPM system - File formats in respect of Client , Power of Attorney (POA) and Authorised Signatory (AS) Modification Uploads

In continuation to our Circular No. NSDL/POLICY/2010/0001 dated January 1, 2010 and NSDL/POLICY/2010/0023 dated March 8, 2010, following file formats in respect of the interface of the back-office system with the new DPM System and changes made thereof in comparison with the existing file formats are being made available on the SQLASSIST Intranet site (https://sqlassist) under the head (https://sqlassist/Back office file formats - New DPM System) :

Sr. No.	Particulars	Version
1	Client Modification Upload	1.0
2	Power of Attorney (POA) Modification Upload	
3	Authorised Signatory (AS) Modification Upload	
4	Comparison of existing and new back office Static Data Code for CMA Uploads	
5	Comparison of existing and new back office file formats for Client, POA and AS Modification Uploads	

Further, file formats with respect to Changed Orders for the Day (COD) Exports and DPM Transaction Imports have undergone minor changes which are highlighted and changes made thereof in comparison with the existing file formats are being made available on the SQLASSIST Intranet site (https://sqlassist). The existing new COD file formats and DPM Transaction Import file formats are being replaced and renamed as "04 Changed Orders for the Day download Version 1.2" and "01 DPM Transaction Upload Version 1.1" respectively based on suggestion provided by the Participants.

Participants are requested to carry out necessary changes to the back office systems with respect to the above file formats as well as file formats mentioned in Circular No. NSDL/POLICY/2010/0001 dated January 1, 2010 and NSDL/POLICY/2010/0023 dated March 8, 2010 by **May 5, 2010**. Participants are requested to note that these changes should be applied to the back-office system only upon further advice of NSDL.
