Account closure for account with balance shall be done only through web portal / app of DP through secured access with 2 factor authentication (in case of internet clients) and the request send through emails, SMS, other messaging apps, etc. shall not be entertained by the DP. As the KYC process requires e-sign post which demat accounts can be opened by the DP, for online closure of accounts with balance also, client shall be required to e-sign the form (using electronic / digital signature including Aadhaar eSign) to be verified by the DP in accordance with guidelines as stipulated by SEBI / Depositories from time to time.

of account having security balances). Filled Account Closure form alongwith CMR as uploaded, would be displayed in one single file to the client, subsequent to which, client shall then be required to e-sign the form (using electronic / digital signature including Aadhaar eSign) alongwith the documents and submit the same for further processing. The requirement of obtaining a CMR will be exempted if the DP is able to verify the target demat account details (i.e. sole holder's name and PAN should match perfectly) directly from the Depository electronically.

8. If the DP authorises the request received, the account will get closed in the Depository system. If the DP rejects the client requests received, the DP shall inform the reason for such rejection to the client.
9. In case the target account of the client specified in the account closure form is not its own account i.e. not the same PAN both in source and target accounts, as per the extant requirements, it will be necessary for the client to submit an off-market transfer instruction delivery instruction slip for execution of such transfers along with the requirement of entering OTP as provided by the Depository.
10. After the closure of demat account by the DP, the same shall be intimated to the client through electronic mode enclosing the CMR & Transaction cum Holding Statement of the closed account.
11. DP shall maintain and store system logs of the closure instructions and e-signed electronic requests (uneditable) received in electronic form in a secured manner and the same shall be subject to 100% internal audit.

13. The above process shall be applicable in case of individual client accounts with single holder (without pledge / freeze / pending demat requests balances) and the closure requests accepted through above mechanism shall be considered as a valid client request and DPs / Depository shall not be held liable for acting on such requests.

14. Depositories shall put in place a complaint redressal mechanism for dealing with complaints related to online closure of demat accounts.
