

Report Name: Top 10 Demat request processed during the Month

This report shows the details of top 10 Dematerialisation (converting physical shares into electronic securities) request processed during the month.

Indicators which are not directly related to the report but explained in the very context of the said reports.

a) Depository:

A Depository refers to a place or entity that holds financial securities in a dematerialized form. A bank, organization, or any institution holding and assisting in security trading is referred to as a depository. Depository accounts hold securities in the same way that bank accounts hold funds.

b) Demat account:

Demat account is used to hold the shares and securities of publicly traded companies in an electronic form. With a Demat account, you can hold a wide variety of investments such as bonds, equity shares, government securities, mutual funds, and exchange traded funds. Similar to a bank account, a Demat account is either credited or debited each time you buy or sell shares of a company.

c) Securities:

Securities are financial instruments, typically any financial asset that can be traded.

This term broadly covers all traded financial assets and breaks such assets down into three primary categories:

1. Equity securities – which includes stocks
2. Debt securities – which includes bonds and banknotes
3. Derivatives – which includes options and futures

Indicators in the report:

a) ISIN:

ISIN (International Securities Identification Number) is a unique 12 digit alpha-numeric identification number allotted for a security.

b) Scrip Name:

Name of Scrip for which International Securities Identification Number (ISIN) is allotted.

c) Demat request Quantity

Quantity for which dematerialization request are received by RTA.

d) Confirmed Demat Quantity

Quantity confirmed by RTA for dematerialization during the fortnight.

e) Date of Dematerialization request confirmation

Date on which RTA has confirmed the request of Dematerialization of securities.
