

<b>Report Name: Top 10 Remat request processed during the Fortnight</b>
---

This report provides the top 10 Rematerialisation (converting securities from demat form to physical shares- paper form) request processed during the month.

**Indicators which are not directly related to the report but explained in the very context of the said reports.**

**a) Depository:**

A Depository refers to a place or entity that holds financial securities in a dematerialized form. A bank, organization, or any institution holding and assisting in security trading is referred to as a depository. Depository accounts hold securities in the same way that bank accounts hold funds.

**b) Demat account:**

Demat account is used to hold the shares and securities of publicly traded companies in an electronic form. With a Demat account, you can hold a wide variety of investments such as bonds, equity shares, government securities, mutual funds, and exchange traded funds. Similar to a bank account, a Demat account is either credited or debited each time you buy or sell shares of a company.

**c) Securities:**

A security is a financial instrument, typically any financial asset that can be traded

This term broadly covers all traded financial assets and breaks such assets down into three primary categories:

1. Equity securities – which includes stocks
2. Debt securities – which includes bonds and banknotes
3. Derivatives – which includes options and futures

**Indicators in the report:**

**a) ISIN:**

ISIN (International Securities Identification Number) is a unique 12 digit alpha-numeric identification number allotted for a security.

**b) Scrip Name:**

Name of Scrip for which International Securities Identification Number (ISIN) is allotted.

**c) Remat request Quantity**

Quantity for which remat request are received by RTA.

**d) Confirmed Remat Quantity**

Quantity confirmed by RTA for dematerialization during the fortnight.

**e) Date of Rematerialization request confirmation**

Date on which RTA has confirmed the request of rematerialization of securities.
